Chairpersons report

James Coombes

This last season represented a transition for the club after several years under the leadership of immediate past chair Antony Mason. Stepping in to the role was a huge task for me, following on from one of our clubs great leaders at a time when the club was seeing a number of our senior members also departing.

The season however was a successful one with St Clair once again showing itself to well a well-rounded club, offering opportunities to all of our club members.

For the first time ever our highest number of medals won at national level was achieved by our junior athletes who were led through a training programme by senior athletes Michael Trembath, Ossian Woods and Jessie Schneiders. All three of these club members filled roles in the club committee and show that leadership at all levels can produce outstanding results.

The club sent teams to all four national events once again with medals being won by club members at all events, with as mentioned above the junior athletes being our most successful.

From a coaching perspective a change occurred in our senior sports programme which was no longer run by a volunteer with Ryan Shanks being

appointed to the role of club coach. Ryan brought expertise to the role which our athletes had not experienced before and his dedication to the athletes is a credit to him given the winter he went through. From a personal point of view it was an honour to race alongside Ryan at the Nationals in Gisborne barely nine months after his transplant.

Within the South Island, St Clair was successful at the Otago Champs, Otago Junior Champs, Southern Ocean Athletes, Southern Region Pool Champs and South Island IRB Champs. Narrowly missing out on winning all four South Island titles to South Brighton after several instances of fair play from our athletes contesting events they did not necessarily need to.

Our lifeguarding standards suffered somewhat from a significant turnover in senior members which placed added stress on a number of key members who contributed more than their fair share of patrol hours to support our beach users. The level of patrol standards is something that the in-coming committee should be tasked with addressing.

Thank you again to all our volunteer members and supporters. Without your efforts over the season, the club would not be able to function and provide a valuable service.

Life Guarding report

James Rolfe

St Clair clubbies completed another great season of patrolling, with some challenging weather and beach conditions at times, our eight patrols completed a combined total of 1825 patrol hours.

The season started off well, we qualified 12 new lifeguards and 3 new instructors. There were also 3 new patrol captains. Our training and lifeguarding skills were put into action over the season during and out of patrol hours completing 5 rescues and first aid as well as one search and rescue operation. Our lifeguards are constantly learning and developing new skills, from VHF courses, first aid courses and learning new skills during patrols from their pairs and patrol captains.

I would like to congratulate Tom Garforth our top patroller for the season who did 114 hours of voluntary patrol and was awarded the Owen Dolan cup at the seasons prize giving. Jody Mowat, Liam Mckillop, Chris Haig and Adam Harvey also completed some significant patrol hours.

Next season the lifeguard award will be updated, adding a board rescue module and a new 400 metre swim time of 8 minutes and under. This is to meet international standards. *These standards are still subject to review.*

Overall St Clair clubbies have finished another great season of lifeguarding, keeping the public safe at our beach through the summer. A huge thanks to all our lifeguards who have patrolled our beach over the summer, especially those who went the extra mile throughout the season, I look forward to seeing you all on the beach next season.

Property report

Cameron Burrow

I would like to start this report by thanking all the club supporters, parents, lifeguards, athletes, coaches and the clubs committee for making this another good season for the St Clair Surf Lifesaving Club. Although you won't all get a mention in this report all the work you contribute to the club is much appreciated.

The season kicked off with us re-keying the club and painting the changing rooms. We were grateful for all the work that Richard Murray, Beggs security and the team for the polytechnic pre-trade painting course did in repainting the changing rooms and the entrance corridor. Its great to see it looking fresh.

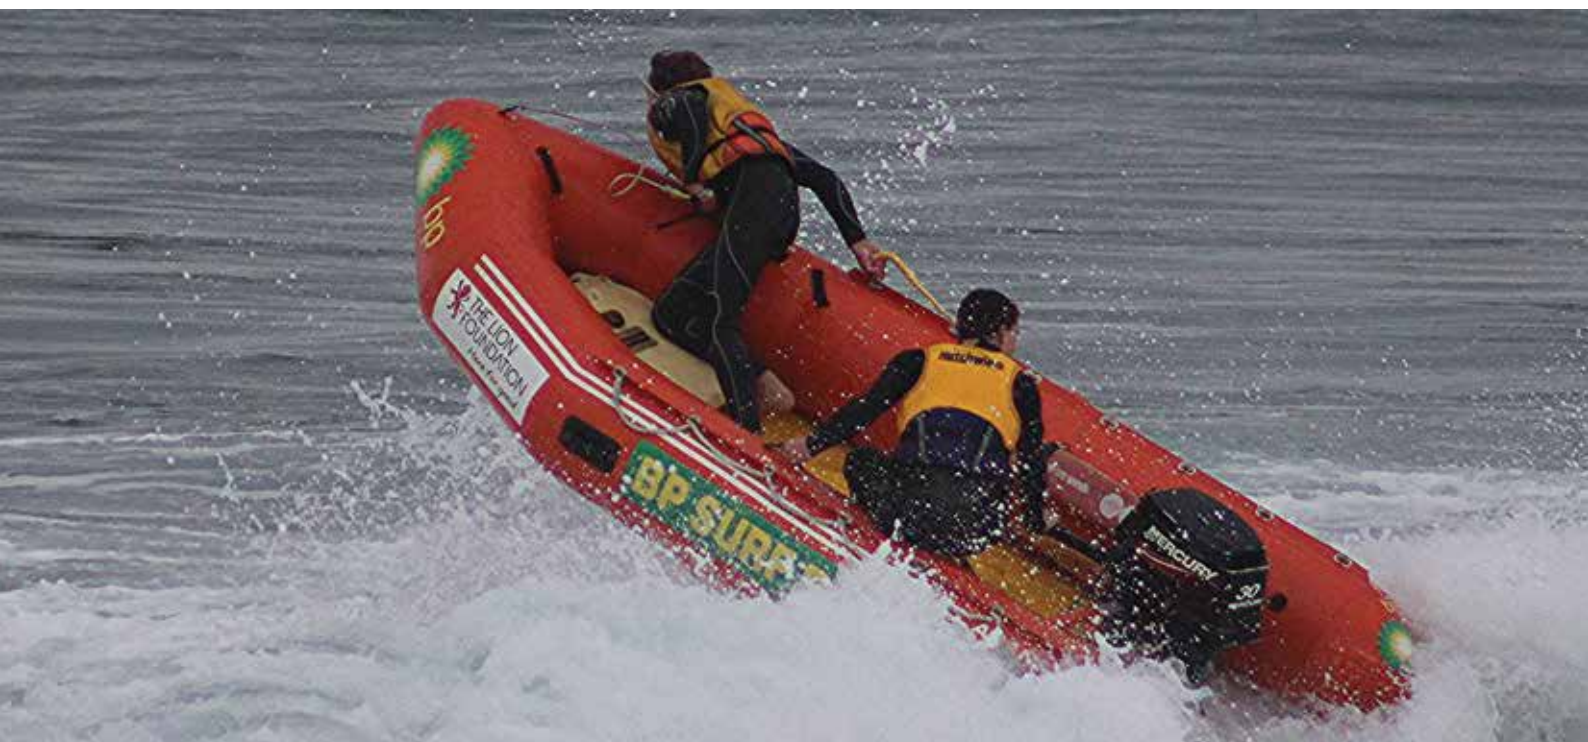

We have had a couple of successful working bees, which have seen both seniors and juniors come together and help out around the club. It's also been great to see club coaches Anthony Mason, Ryan Shanks, Michael Trembath, Ossian Woods and Jessie Schniders develop our athletes into better skilled lifeguards ensuring that St Clair beach is one of the best patrolled in the South Island

The club was also very fortunate to have Michael Andrews working constantly on repairing our boards, which has seen us have a significantly cheaper repair bill compared to previous seasons. Likewise with Greg Taylor who has not only kept the electrical side of things functioning smoothly but also adding to our board racks in the gear shed to keep up with our ever increasing gear stocks. Thanks also to Steve Mowat, Kris and Kel Williams, Anthony Mason, Justin McCready, John Donegan and many more of you for your help maintaining things around the Club and Thomas Garforth for his bar work.

It's been great to see so many new and old faces floating around the club this season and I hope to see you and your mates again next season. Keep an eye out on in the club newsletter for winter events such as training days and adventures.

Cheers for the good season

Cam.

Junior surf report

Brent Wolf

The 2014/15 season was another successful season. The number of registered juniors increased to 158, attendance at junior club days saw large numbers, the junior club retained the interclub cup for a seventh straight year and the junior club won the Southern Regions junior trophy. At Junior Nationals (Oceans 15) the St Clair club was the top performing South Island club.

The success of the season was in large part due to a team effort. Firstly due to the effort put in by coaches, Michael Trembath, Jessie Schneiders and Ossian Woods. Secondly, junior club days were a huge success with large numbers of members turning up each week developing their beach skills and having fun. Part of this success was due to the wonderful weather we had this summer. The third factor for the great season was due to the great coaching and encouragement from, Chris Haig, Emma Young, Joel Tyndall, Chris Sinclair, Mark Falcous and other parents on club day. Without their help club days would not be the enjoyable experience it is for the juniors.

I would also like to also thank the members of the junior committee; Mary Andrew, Joel Tyndall, Bridget Stedman, Chris Haig and Andrea Wolf for the great work that they have done over the season.

We continued to perform well at all levels of competition. In the local inter club competition St Clair won the junior interclub competition. We had numerous successful athletes in all age groups. At the South Island pool champs we had four age group winners and two age group runner-ups. The Southern region surf champs were held at Waikouiti beach. This was the second season with this competition format being from under 8's to under 14's. The club came away with the trophy this year for being the top junior club in the Southern region. At Oceans 15 in the under 10 age group Erika Fairweather had an excellent competition coming away with a gold in the surf swim, a silver in the run swim run and a bronze in the diamond. Erika and Olivia Andrew teamed up together to win a gold in the under 12 tube rescue. Hannah Matehaere gained a bronze medal in the under 13 sprints. St Clair was 9th overall and the top performed South Island club. Michael Trembath did an excellent job in coaching these athletes in the development squad.

Another reason for the success of the St Clair Juniors has been due to the marvellous financial support we have received from various organisations and I would like to take this opportunity to thank them: The Trusts Community Foundation for funding for paddle boards, Steve Mowat Builders for constructing the cages and Mainfreight Ltd for shipping the boards to Nationals; In addition the following businesses also helped; Deluxe Services, Metro Realty, Dive Otago, GJ Taylor Electrical, Gardens New World, CARA, Haywards Auction, Dunedin Couriers, Physio Performance, Esplanade Surf School, Leckies Butchery, Placemakers, , Envirowaste, Dunedin Swim Coaching Board. It would be great if members had the opportunity to support these businesses were possible.

Finally I would like to thank all of the parents who have supported in a myriad of other ways, who with out your help the successes of the club would not have eventuated.

Skills development report

Chris Haig

First of all, many thanks to all the parents, supporters and club members for another successful year for the St Clair Surf Lifesaving Club. This could be described as a rebuilding year given that a few of our top performers have moved on since last season.

Pre-season Cameron Burrow and Brent Wolf came up with a coaching structure to cater for the Under 19 athletes. Cameron would be responsible for the Senior Board and Ski development squad. For the Under 14s the initial plan was for Michael Trembath and Ossian Woods to each provide two sessions each week. This was very popular and successful and gave Jessie Schneiders the opportunity to provide two sessions as well. Late in the season saw Michael providing up to five sessions a week.

For the first time in a long time the club had employed a part-time coach to run a season-long board, ski, and fitness program for the senior club members. This was greatly appreciated by the membership as they had been requesting more structured training sessions for the previous two seasons. The program ran from October through to March. The season started with training on the harbour for the first two months, which then moved to training at the beach. Ryan Shanks did a great job in ensuring the athletes had a structured program to follow and the club has benefited greatly as the Under 16 and Under 19 lifeguards have developed into strong and skilful athletes.

Many of the athletes are enrolled in swim squad training at Moana Pool. Others have opted for either the Surf-Squad or Tri-Squad swimming squads run by the Dunedin Swim Coaching Board. The Surf/Tri squad sessions are for one hour five times a week with the option of training for up to four sessions a week. Typically on any one day there would be about sixteen athletes attending the Surf and Tri sessions.

Pool sessions for the Juniors are carried out all year long for an hour on Wednesday nights. These are coached by Chris Haig and Brent Wolf, with much-appreciated help from Richard Murray, Emma Young, and Lulu Schneiders. Michael Trembath has also helped out over the summer months taking a group of the older Junior athletes for sessions at the Otago Boys High School pool. For nearly two years now we have set aside a

DSCB-coached swimming lane. Six swimmers are selected each school term to swim in this lane. In order to be eligible for this lane the swimmers needed to show a willingness to be selected, to not already be swimming in a swim training squad at the C-squad level or higher, and have the intention of competing in surf competitions. This has worked out well with the swimmers and parents being positive about the more direct personal contact between swimmer and coach. This has benefited the swimmer in making them more visible to the DSCB coaching staff when deciding on selection for enrolment into the other pure swim squads.

If you are ever at the beach on a Saturday afternoon in the summer months you will see the extent to which the Junior members have grown in numbers in recent years and the enthusiasm they have for being at the beach under the wing of the SCSLSC. Of the 158 junior club members enrolled, a typical Saturday afternoon will bring between sixty and a hundred Junior members to the beach. Much appreciation is given to the parent coaches of these members: Mark Falcoux, Chris Sinclair, Joel Tyndall, Emma Young, Chris Haig, and Brent Wolf, plus all the other parents who come and help out on the beach and with the barbeque.

A few 11 - 17 year olds took part in the Breakaway Surf Survival Holiday Programs being run in the school holidays. This program consisted of a pool session and then surf activities out at Warrington Beach. This was run by Isaac Davies in the summer holidays and Arthur Ibbotson in the Easter school holidays.

This season the training of new lifeguards in the Otago area was left to the responsibility of individual clubs. This training was carried out by James Rolfe, Jessie Schneiders, Ossian Woods, and Chris Haig with thirteen lifeguards completing their award at the beginning of the season. Five of these lifeguards had come up from the Junior ranks of last season. Most of these lifeguards then stepped forward over the season to further develop their skills whether it be with board and ski sessions or IRB crewing or as patients.

The IRB Driver training was a season-long affair. Three new drivers completed their final exam recently after building up their driving hours and

experience over the season. Also, nine more IRB crewpersons qualified at the end of the season. Thanks go to Antony Mason for giving up his time and pushing ahead with these qualifications in what was essentially his season off.

Once again there were courses covering First Aid, Marine Radio, Surf Coaching and Officials made available for athletes and parents alike.

The Southern Region Pool Champs were held earlier than usual in late July. There were nineteen Senior competitors and twenty-two Junior competitors with the Juniors being coached by Chris Haig with a couple of sessions run by Steph Laughton. St Clair won comfortably with the women overwhelming the opposition in points. St Clair had three competitors at the National Pool Champs with the team obtaining four placings and ending up sixteenth place in points.

The Juniors were overwhelming winners of the local interclub competitions. After the Otago Champs the St Clair Juniors had four times as many points as their second-placed rival. Over the season there were seventy-three individual competitors. At the Southern Region Junior Championships at Waikouaiti Beach alone there were fifty-one competitors which led St Clair to a convincing first place. This is an outstanding number and again indicates the strength of the Junior members.

Fourteen Junior members trekked away to Mount Maunganui for Oceans '15. They gained placings in five finals, giving the club twelfth equal placing nationally and first placing in the South Island. Special mention goes to Erika Fairweather for her outstanding four placings at this championship

(which included two golds), in which is essentially her first season of competition.

The Eastern Regional Championship was held at Mount Maunganui. St Clair had a team of eleven attend with many of the athletes achieving their goals for the competition making their respective semi-finals and finals. Big thanks go to Neil Burrow for towing the gear trailer up there and to Margaret Trembath for organising the accommodation.

A team of twenty-two attended the Southern Regional Championship at New Brighton Beach in Christchurch. St Clair achieved a very close second place. There were many good performances with people competing up an age group many times. This was a good learning curve for both athletes and managers regarding some of the technicalities when competing in Surf Lifesaving.

The National Championship was held at Midway Beach in Gisborne. There was a team of seventeen from Dunedin with two others joining them there. The placing of twenty-fifth equal in the points table was disappointing as it was not as high as in recent years but there were many great performances especially in the Under 16 and Under 19 age groups. Placings were given to Carina Doyle and Nathan Wolf. It was also pleasing to see five current and former athletes make the New Zealand team after this competition.

The future looks promising for the club with at least twenty Junior members eligible for training for their lifeguard awards before next season. In addition we will be attempting to offer a range of further upskilling for our members.

Club statistics

Membership statistics

Our official active membership statistics for the 2014/2015 season are:

Senior Male (age groups under 16 and older): 81

Senior Female (age groups under 16 and older): 57

Junior Male (age groups under 14 and younger): 37

Junior Female (age groups under 14 and younger): 27

Note: These membership figures exclude our non-active membership figure of 100.

Award statistics

Our official award statistics for the 2014/2015 season are:

Number of new surf lifeguards: 13

Number of refreshed surf lifeguards: 75

Number of new IRB crewpersons: 7

Number of new IRB drivers: 2

Number of refreshed IRB drivers: 30

Number of new marine VHF operators: 10

Patrol statistics

Our official patrol statistics for the 2014/2015 season are:

Volunteer patrols hours: 1,825

Number of people rescued: 2

Number of people requiring first aid assistance: 5

Number of searches conducted: 1

Number of preventative actions performed: 649

Number of people involved in preventative actions performed: 2,057

Compilation Report

For the Year Ended 30 April 2015

Compilation Report to the Proprietors of St Clair Surf Life Saving Club

A compilation is limited primarily to the collection, classification and summarisation of financial information supplied by St Clair Surf Life Saving Club and does not involve the verification of that information. We have not performed an audit or review on the financial statements and therefore neither we nor any of our employees accept any responsibility for the accuracy of the material from which the financial statements have been prepared.

Scope

On the basis of information you provided we have compiled, in accordance with Service Engagement Standard No. 2: Compilation of Financial Information, the financial statements of St Clair Surf Life Saving Club for the period ended 30 April 2015. This financial report has been prepared in accordance with the policies as detailed in Note 1 to the financial statements.

Responsibilities

You are solely responsible for the information contained in the financial statements and have determined that the accounting policies used are appropriate to meet your needs and for the purpose that the financial statements were prepared.

The financial statements were prepared exclusively for your benefit. We do not accept responsibility to any other person for the contents of the financial statements.

No Audit or Review Engagement Undertaken

Our procedures use accounting expertise to undertake the compilation of the financial statements from information you provided. Our procedures do not include verification or validation procedures. No audit or review engagement has been performed and accordingly no assurance is expressed.

Disclaimer

As mentioned earlier in our report, we have compiled the financial information based on information provided to us which has not been subject to an audit or review engagement. Accordingly, neither we, nor any of our employees accept any responsibility for the reliability, accuracy or completeness of the compiled financial information nor do we accept any liability of any kind whatsoever, including liability by reason of negligence, to any person for losses incurred as a result of placing reliance on the compiled financial information.

St Clair Surf Life Saving Club

Notes to the Financial Statements

For the Year ended 30th April 2015

1. STATEMENT OF ACCOUNTING POLICIES

St Clair Surf Life Saving Club is an Incorporated Society which has Charitable Status. These Financial Statements are general purpose financial statements and have been prepared in accordance with generally accepted accounting practices.

The accounting principles recognised as appropriate for the measurement and reporting of financial performance and financial position on a historical cost basis are followed by the entity.

These financial statements have been prepared on a historical cost basis modified by the revaluation of certain fixed assets.

(a) Changes In Accounting Policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

(b) Fixed Assets & Depreciation

The entity has the following classes of fixed assets:

- Buildings
- Motor Vehicles
- Furniture & Fittings
- Plant & Equipment

All fixed assets are recorded at cost or valuation less accumulated depreciation.

Depreciation of the assets has been calculated at the maximum rates permitted by the Income Tax Act 2007. The rates used are shown on the Schedule of Fixed Assets and Depreciation attached.

(c) Goods & Services Tax

These financial statements have been prepared on a GST exclusive basis.

(d) Inventories

Inventories are recognised at the lower of cost, determined on a first in first out basis, and net realisable value.

(e) Receivables

Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

2. AUDIT

These financial statements have not been audited.

3. CONTINGENT LIABILITIES

At balance date there are no known contingent liabilities (2014:\$0). St Clair Surf Life Saving Club has not granted any securities in respect of liabilities payable by any other party whatsoever.

These notes form part of the financial statements.

These financial statements have not been subject to audit or review, and should be read in conjunction with the attached Compilation Report.
