

## ST. CLAIR SURF LIFESAVING CLUB

Wow! How about that 50<sup>th</sup> annual White Island race!! How cool was it to see the esplanade packed full of the community as they supported some of the top athletes in the country take on the challenge of White Island. Thanks to all our amazing club photographers who have captured the event and have posted top quality photos on our club Facebook page. A special mention must also go to our event supporters **Placemakers, Waterman, Bay Road, Otago Daily Times** and **Allpress** for taking the event to the next level. You can find the link to the ODT articles at the bottom of the newsletter.

As we tick the White Island race off the events calendar we roll into our core business: lifeguarding. We are hosting our annual registration day and club refresher this weekend with registration open from 11am and the refresher kicking off from 12pm. Our committee reps Ossian, Maddy and Mikayla have some fun activities planned for the afternoon so pack your wetsuit and come down and get amongst the fun. The Junior committee are going to be cooking up burgers and the Bar will be open after patrol providing the perfect reason to spend Saturday down at the Surf Club.

Chris has been working hard on the patrol roster and roster has been attached to this newsletter and can be found on our website. It's timely to remind people that if you can't make your rostered patrol you need to let your patrol captain know and organise a replacement. Have a look in the calendar at the bottom of this newsletter for upcoming lifeguarding training sessions and upskilling courses.

Brent and Isaac have been working hard on developing the club's sport program with a successful training day on Monday. Make sure that if you are interested in training or being a part of the sport you reach out to either Brent or Isaac. If you have an interest in learning how to drive or crew and IRB then please reach out to Matthew Bradley as he has begun driver training for the current season.
