

## ST. CLAIR SURF LIFESAVING CLUB

As the first month of patrols comes to an end and the competition season starts to ramp up its fair to say St Clair Surf Lifesaving Club is a very busy place! Our awesome volunteer lifeguards have already done over **360 volunteer hours** keeping a watchful eye over community. With heaps of moving parts going on its been great to see people working together to lighten the load of some of the very hard workers we have in our club so let's keep that team spirit at the forefront of our minds.

It was great to see Mikayla and Jackson selected to attend National guard school and further develop their lifeguarding knowledge, ability and leadership. Our Club has had a strong presence at national guard school over the past 5 years and highlights the strength of our lifeguarding program and the opportunities that are out there for our members that want to further develop their skill sets.

It's been great to see so many faces on Saturday afternoons down at the club where our strong junior surf program continues to go from strength to strength. Thanks to the hard work from the junior committee. Remember to keep bringing along new people to join in the fun as we grow our water safety message and ensure the next generation are comfortable in the ocean environment.

Many thanks must go to our patrol captains for setting a positive tone to the patrolling season with a full rotation of patrols occurring its great to see the standard of our service remain at such a high standard. As we come into the holiday period our resources become strained as people head on holiday etc. We will need people to help on patrols on the 28<sup>th</sup> and 29<sup>th</sup> of December and the 4<sup>th</sup> and 5<sup>th</sup> of January so if you are around and available please reach out to Chris Haig.

While December is a busy month we will be aiming to have some fun club based activities which will range from both a Junior and Senior competition being hosted at St Clair beach, Rock rescue training, introduction to IRB racing, Coast line missions and a Christmas party or two!! Make sure you are linked into the social media platforms to keep in the loop of what's going on and make sure you get amongst the fun!

We are currently looking move one of our older IRBs on so if anyone is interested in purchasing a Hull and Motor or just a Hull then please get in touch with Matt Bradley.

Our club can't succeed without our members and new members coming in and being a part of our successful club. There is a place for everyone at St Clair Surf Lifesaving Club whether it be as a Junior Surf member, a lifeguard, Patrol Support, IRB operator, Surf Athlete, IRB Racer, a Supporter or Sponsor there is room for you and your friends so come and be a part of our great community club who are truly in it for life.

Please note the dates below and key information platforms and I look forward to seeing you at St Clair Surf Lifesaving Club this month.
